INTERNATIONAL POTLUCK

DINNER

EL students have been working hard to make the European themed decor for our international potluck dinner this year! There will also be a metal tooling booth at the dinner, where students and families can create ornaments inspired by European art. The potluck is at 5:30 on January 24th so be sure to see the date!

EWSD FINE ARTS NIGHT

Art created by students throughout the district will be displayed at Essex High School for Fine Arts Night on Wednesday, March 18th. Artwork will be featured throughout the week. Also starting in 2020, Hiawatha student art work will begin showcasing at the EWSD central office.

SQUARE1ART

This year students will create self-portraits and submit masterpieces for our annual Square1Art fundraiser. Students will learn about figure drawing and portraits over two units throughout the months of January and February. Each student will create a self-portrait however, students can choose to create symbolic self-portraits for S1A submissions. Packets containing the order forms will be sent home after the art-making and submission process. The order forms are due back to school by Thursday, March 12th. Additional reminder notices will be sent home closer to deadline dates. All profits raised will contribute to this year's school-wide mural integration project.

SCHOOL-WIDE MURAL

INTEGRATION PROJECT

This year students will learn about and create murals. Each grade-level will sketch ideas based on a classroom theme or unit of study. Designs will be combined and integrated into one mural per grade-level. Students will participate in several mural painting sessions throughout the remainder of the school-year. Murals will be presented and unveiled at an end of the year event. Stay tuned for more details and information about the event!

EJRP AFTER-SCHOOL ART

Based on student interest, clay class will be offered again for the next session! Please contact Beth at EJRP to sign up!
